FYI

As per Pablo's email below. We can continue to ship parts using the custom extrusion until we have depleted stock of the material.

Thanks.

Chantal,

Our tooling is for .125 radius – it would be \$350 to get tooled on the radius below.

The attached quote shows pricing for a piece. If you have a different quantity you want, I'm happy to update so you can see pricing.

Apologies for the delay in responding.
